General

Project Name*	Polar Bears of Lilliput Hydrothermal Vent Field	✓
Primary Investigator	Paul Oldham	✓
Collection Area	Mid Atlantic Ridge, Scotland	✓
Country	GB	✓
Funding Source	NERC	✓
Funding Amount	7500000.00	✓
Research Vessel Final Departure	2024-01-01	✓
Research Vessel First Appearance	2024-04-01	✓
Target Species	Ursus maritimus	✓
Website	https://www.myprojectwebsite.ac.uk	✓
Research Methods	Remote Operated Vehicle (further details to be added)	✓
Objectives Project	Recent reports of the entirely unexpected appearance of polar bears in the vicinity of Lilliput Hydrothermal Vent field suggest the possibility of an extraordinary evolutionary development among marine mammals. Also to our surprise we have been able to convince a research council to fund our investigation.	✓
